Today i want to introduce Lebron james, a very popular baskett ballplayer in USA, who is also engaged for several causes, and specially the defense of the rights for black people to vote.

He's born in 1984 in Ohio, in a poor family with a single mother.
He's now one of the best baskett player in the world, with the Lakers of Los Angeles in NBA. His nickname is « King James ».

He had a very Poor childness, with a single mother 16 years old.

He grows with his mother and with the help of a foot ball coach. He's early a very brilliant athlet, and he gets in the world of baskett ball at St maty highscool in 1993.
His carreer is spectacular and he's now with the lakers.

He's also very interessed and engaged in politic. He has supporeted Barack Obama in 2008, and then Hilary Clinton. He's opposed to Donald Trump because he thinks he's racist and cleaving for the country.
He founded a new movement called « not just a vote », as reference to the « not just an athlet ». He wants to help black people to defend their rights and use their votes, and encourage them to be engaged in politic life.
